

Golden Tech PR632 DayDreamer

The DayDreamer PowerPillow™ lift chair is the perfect combination of comfort and innovation, and now even more so with the addition of Golden's ultra-comfy contoured Cloud seating. Additional support comes from the way each side of the seat contours to fit your hips, to cradle you in comfort. The DayDreamer features the latest in lift chair technology, including the Zero Gravity and Maxi-Comfort features. Golden Technologies' exclusive PowerPillow™ feature allows you to adjust your headrest at the touch of a button, to provide your personal comfort zone. Many of our liftchairs can be special ordered with premium fabric options for an additional cost! Restocking Fee. There will be a [20]% restocking fee applied to any lift chairs that were ordered and delivered or on truck to be delivered.
